Subject: Waiver to the Maine Plumbing Code, Part II, Pamphile Dostie properties, Burns Road, Augusta

Dear Mr. Dostie:

This office has reconsidered its denial of your two lots on Burns Road in Augusta as a result of your visit to this office and a telephone call by Mr. Jerry Poulin, the site evaluator who did the work.

Unfortunately, very little additional information was submitted to indicate that you qualified for a State Variance under Section 3.6 of the Maine State Plumbing Code, Part II.

Therefore, this office has no alternative at this time but to reaffirm its original denial of November 27, 1978 based on all information submitted to this date.

Sincerely,

Russell G. Martin, Sanitary Engineer
