

Announcing a Better Way for Downtown Augusta!

We're about to restore two-way traffic to **Water Street**, making it a better way to access the growing attractions of Downtown Augusta.

Starting next week, we'll begin paving and striping for two-way traffic. We'll also make Downtown safer and more attractive, with...

- Cool new energy-efficient street lights
- Beautiful new sidewalk trees
- ADA-compliant crosswalks

All your favorite shops and restaurants will remain open throughout the project, which will last about a month, depending on weather and other factors.

For more information, visit AugustaDowntownAlliance.org, or contact: Nick Hartley, City Engineer, at 626-2435; or Michael Hall, Executive Director, Augusta Downtown Alliance, at 458-8757. Stay tuned for information about Commercial Street reconstruction this fall.
