

OLD FORT WESTERN
PRESENTS:
2019
APPRENTICE
PROGRAM

Experience different aspects of 18th century life through activities such as spinning, weaving, blacksmithing, and storekeeping. For one week during the morning your child will explore not only daily life in the 18th century, but also the life of a Fort Western soldier. All this within the boundaries of the 1754 French & Indian War era Fort, Store and House. Finally the apprentices will learn about museum stewardship and what is involved in taking care of this historic site by learning the proper maintenance and interpretation to ensure the continued enjoyment of the fort for themselves and their children.

Please sign up early for the week of your choice. There must be at least 8 sign-ups to make a program week go.

For more information call 626-2385.
