WHEREAS, the Act authorizes municipalities to regulate the number of retail marijuana stores and the location and operation of retail marijuana social clubs and retail marijuana establishments, including retail marijuana stores, retail marijuana cultivation facilities, retail marijuana products manufacturing facilities and retail marijuana testing facilities, as those terms are defined in the Act, as well as to prohibit the operation of retail marijuana social clubs and retail marijuana establishments, including stores, cultivation facilities, manufacturing facilities and testing facilities, within their jurisdiction; and

WHEREAS, the Act will not limit the privileges or rights afforded by the Maine Medical Use of Marijuana Act (22 M.R.S.A. §§ 2421 – 2430-B) (the “Medical Marijuana Act”) to qualifying patients, primary caregivers, or registered dispensaries, including cultivation facilities associated with any of those classifications;

WHEREAS, a moratorium is necessary to prevent an overburdening of public facilities that is reasonably foreseeable as the result of retail marijuana establishments and social clubs and other uses being located in the City as authorized by the Act; and

WHEREAS, the City Council, with the professional advice and assistance of the City Manager, Planning Board, Planning Department and Police Department, shall study the City’s current Code of Ordinances to determine the land use and other regulatory implications of retail marijuana establishments and social clubs and consider what locations, if any, and approval and performance standards, if any, might be appropriate for such uses; and
