Reason for seeking appointment: I grew up in Augusta and have returned to the area after completing a college degree in political science. I bought a house in the West Side neighborhood and am looking to become more involved in the community. I am a big believer in the idea that civic involvement is a duty to one's city, state, and nation and would like to continue to give back to mine.

Education, training or experience relevant to appointment sought and any prior service on community boards: I am a graduate of Cony High School (2009) and earned a B.S. in political science from the University of Oregon (2014). I am currently the Vice Chair of the Board of Directors for the Maine State YMCA Camp as well as work for the Maine Senate. I am in the inaugural class of the Aspiring Leaders class currently being offered by the Maine Legislature.

Special skills, knowledge, talents, insights, or point of view that you might offer to the Board or Committee and any objectives you may have for the position: I believe I can bring a fresh perspective to a group as a young, civic minded homeowner of Augusta. I work well in groups and take many different roles on any given team. I have an understanding of non-profit financials on both a small and large scale due to my involvement with the state government and the YMCA Camp. I still have many things to learn but I am a hard worker and believe I would be an asset to a Board or Commission in this City.

Thank you for your consideration.

Re: Meal Centers and Food Pantries

---

The Council stated that they wanted to allow Meal Center's and Food Pantries as Permitted Uses in the RD and CB zoning districts. In order to accomplish this, an amendment to the ordinance language on the agenda would need to be offered as follows:

Amend the language in front of the council to read

"and the new use, Meal Center and Food Pantry, shall be added to the Table of Uses (300 Attachment 4) under the institutional heading as a Conditional Use (designated in the table with a CU) in the following zoning districts:

RD, BP, KBD1, KBD2, CB, CC, CD, PD, PD2; and as a Permitted Use (designated in the table with an X) in the following zoning districts: RD and CB.
