038 BE IT ORDAINED, By the City Council of Augusta, that a new Section 5.1.14.3 dealing with parking requirements in the KBD1 (Kennebec Business District 1) be added to the Land Use Ordinance, as recommended unanimously to the Council by the Planning Board, as follows:

5.1.14.3 Parking Requirements in the KBD1 District

Recognizing that providing on-site parking for employees, customers, clients, visitors, and residents in Augusta's densely built downtown is more problematic than in the less-densely developed areas of the City, the following parking requirements shall apply in the KBD1 district:

- (1) In shoreland zones, Section 5.1.14.2(5) shall apply.
- (2) The number of required parking spaces for a development proposal shall be determined by using table 5.1.14-B below: (see attached Table)
- (3) An applicant for a development proposal shall meet the parking requirements identified in Table 5.1.14-B, Schedule of Parking Requirements in the KBD1 District, and adhere to the following standards:
  - (i) Off-street, parking spaces shall be provided by the applicant on the development site to meet the parking requirements identified in Table 5.1.14-B, to the greatest practicable extent as approved by the Planning Board.
  - (ii) Use of long-term (over 2 hours) off-street residential parking spaces controlled by the Augusta Parking District shall be as allowed by the Parking District. Such spaces that are duly leased from the parking district shall be counted towards meeting the Parking Requirements of Table 5.1.14-B.
  - (iii) Use of reasonably available on-street, short term parking spaces (time limit of 2 hours or less) for proposed residential uses shall be allowed as approved by the Augusta Planning Board, after a recommendation is made on the proposed project by the Augusta Parking District that the applicant will be able to meet their requirements in Parking District Spaces. The Parking District shall recommend the number of parking spaces it can accommodate for the proposal.
  - (iv) Use of reasonably available long-term parking spaces (time-limit of greater than 2 hours) for proposed non-residential uses shall be allowed as approved by the Augusta Planning Board, after a recommendation is made on the proposed project by the Augusta Parking District that the applicant will be able to meet their requirements in Parking District Spaces. The Parking District shall recommend the number of parking spaces it can accommodate for the

proposal.

(v) After all practicable on-site parking space has been proposed by an applicant, and after all reasonably available short and/or long term parking spaces have been approved for use by the Planning Board, an applicant for a development proposal shall be required to pay, for each parking space that it still lacks, a fee to the Augusta Parking District in-lieu-of providing on-site parking for the proposed development project.

The in-lieu-of parking fee shall be equal to the average cost of providing a surface parking space in a private parking lot, multiplied by the number of spaces a development proposal is deficient in providing. The average per-space cost of creating a private surface lot parking space shall be the average cost in Augusta of a surface parking space (including in that average the cost of land acquisition, site grading, stormwater handling, paving of aisles and spaces, landscaping, and professional engineering design).
