PART 1 - ORDERS

005 Manager

ORDERED, That the City Manager is hereby authorized to enter into a process to receive bids on the construction of the parking facility on the Dickman Lot. Based on engineers estimates provided by WBRC and Desman Associates, the receipt of a \$500,000 grant from the State of Maine Municipal Investment Trust Fund brings the level of available project funding in line with the anticipated project costs.

Furthermore, that the City Council will be formally asked to approve the project upon the conclusion of the bid process.

Respectfully submitted,

Linda Veilleux
Acting City Clerk
