TABLED

- 115 City Manager
ORDERED, That the City Manager is authorized to expend an amount not to exceed \$5,000 to conduct a structural engineering analysis of the Colonial Theater.
- 156 Councilor Munson
WHEREAS, the Mineral Extraction Ordinance intended to protect the public health, safety, and general welfare, and to minimize the adverse impact of extraction to citizens of the city, abutting property owners, and wildlife and natural resources.

WHEREAS, two uses identified as accessory to a mineral extraction use have been found to have a significant impact on abutting property owners by virtue of additional traffic, additional noise, additional dust, and additional odor, unanticipated at the time the Mineral Extraction Ordinance was initially adopted.

WHEREAS, due to the lack of experience with these two accessory uses, the city and the public did not adequately scrutinize the uses during the initial licensing of mineral extraction sites.

WHEREAS, no permanent bituminous mix plants or ready mix concrete plants have yet been installed.

WHEREAS, sunsetting the one existing temporary bituminous mix plant and requiring further planning board review and authorization for it to restart seasonal operation as an accessory use in the spring of 2010 is not found to be an unreasonable financial burden to the owner of the mineral extraction site, since an accessory use is by its nature not the primary function of the site.

NOW THEREFORE BE IT ORDAINED, By the City Council of the City of Augusta hereby amends the Mineral Extraction Ordinance as follows:

Allowable associated mineral extraction uses. Associated mineral extraction uses include, but are not limited to, bituminous mix plants, crushing/screening operations,

ready mix concrete plants, materials being recycled / reprocessed. Each of these associated uses must be expressly approved by the Planning Board to be considered allowable under a mineral extraction license. Ready mix concrete plants and bituminous mix plants shall be reviewed using the Site Plan Review Criteria Applicable to Conditional Uses, found in Section 6.3.4 of the Land Use Ordinance. Any existing temporary bituminous mix plants or ready mix concrete plants associated with a licensed mineral extraction site as an accessory use at the time of adoption shall be eliminated by May 1, 2010, unless they receive additional approval from the planning board for their operation as per this section.
