On Mar. 27, 1976 (date), a site investigation for this project was completed. I supervised this soil evaluation and certify that the results indicated above best represent the soil conditions found. I recommend the following type and size of private sewage disposal system. I also recommend the proposed private sewage disposal system layout and location shown on page 2.

		<input type="checkbox"/> Special System Length _____ Width _____	
		<input type="checkbox"/> Non-discharge System Bed-Length _____ Width _____ Holding Tank Size _____ Gal. Manufacturer _____ <input type="checkbox"/> Alarm device provided, type _____	
		SITE MODIFICATION Fill is— <input type="checkbox"/> required, <input type="checkbox"/> not required Fill will be _____ inches deep	
		DETAILS <input type="checkbox"/> A Distribution Box is required Pumping is— <input type="checkbox"/> required, <input type="checkbox"/> is not required. The Dose will be _____ gallons	
		DISTANCES <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No: The proposed subsurface absorption area will be located at least 100 feet from any and all wells; springs; surface water bodies and courses (lake, pond, ocean, brook, stream, river); swamps; marshes; and bogs. <input type="checkbox"/> Yes <input type="checkbox"/> No: The proposed subsurface absorption area will be located at least 300 feet from any and all wells and springs producing 2000 gallons or more of water per day and any public water supplies.	

FOR THE USE OF LPI ONLY

Denial: Application is denied for following reasons; portions of the Code II are cited.
Form is incomplete (____ pg.) as to General info, Site Investigation, System Proposed, Site Plan, Disposal System Plan, Cross-Section, Statement. See Section 2.3.

Site Investigation indicates site is totally unsuitable for disposal system; Sections 4.5 and 9.5, Table 9-1 Group 9 and 10. Unsuitable for system proposed; Sections 4.3, 4.6, 9.5, Table 9-1.

System Proposed does not conform to Code; See Sections 9.

Site Investigation indicates site modifications are necessary; See Sections 4.3, 4.4, 4.6, 8.7.

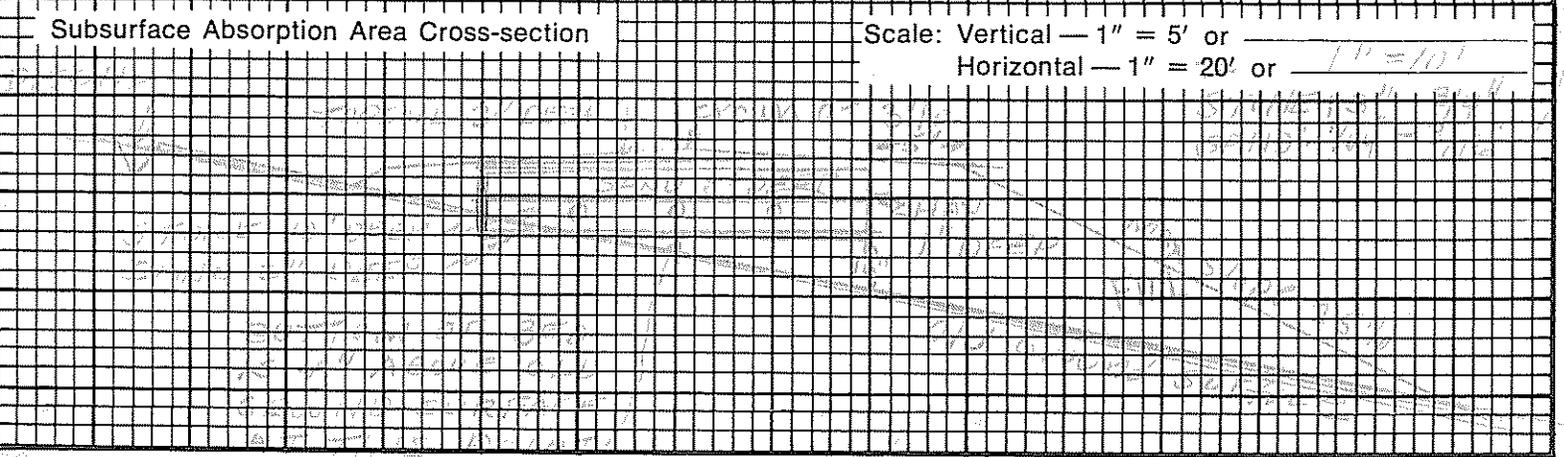

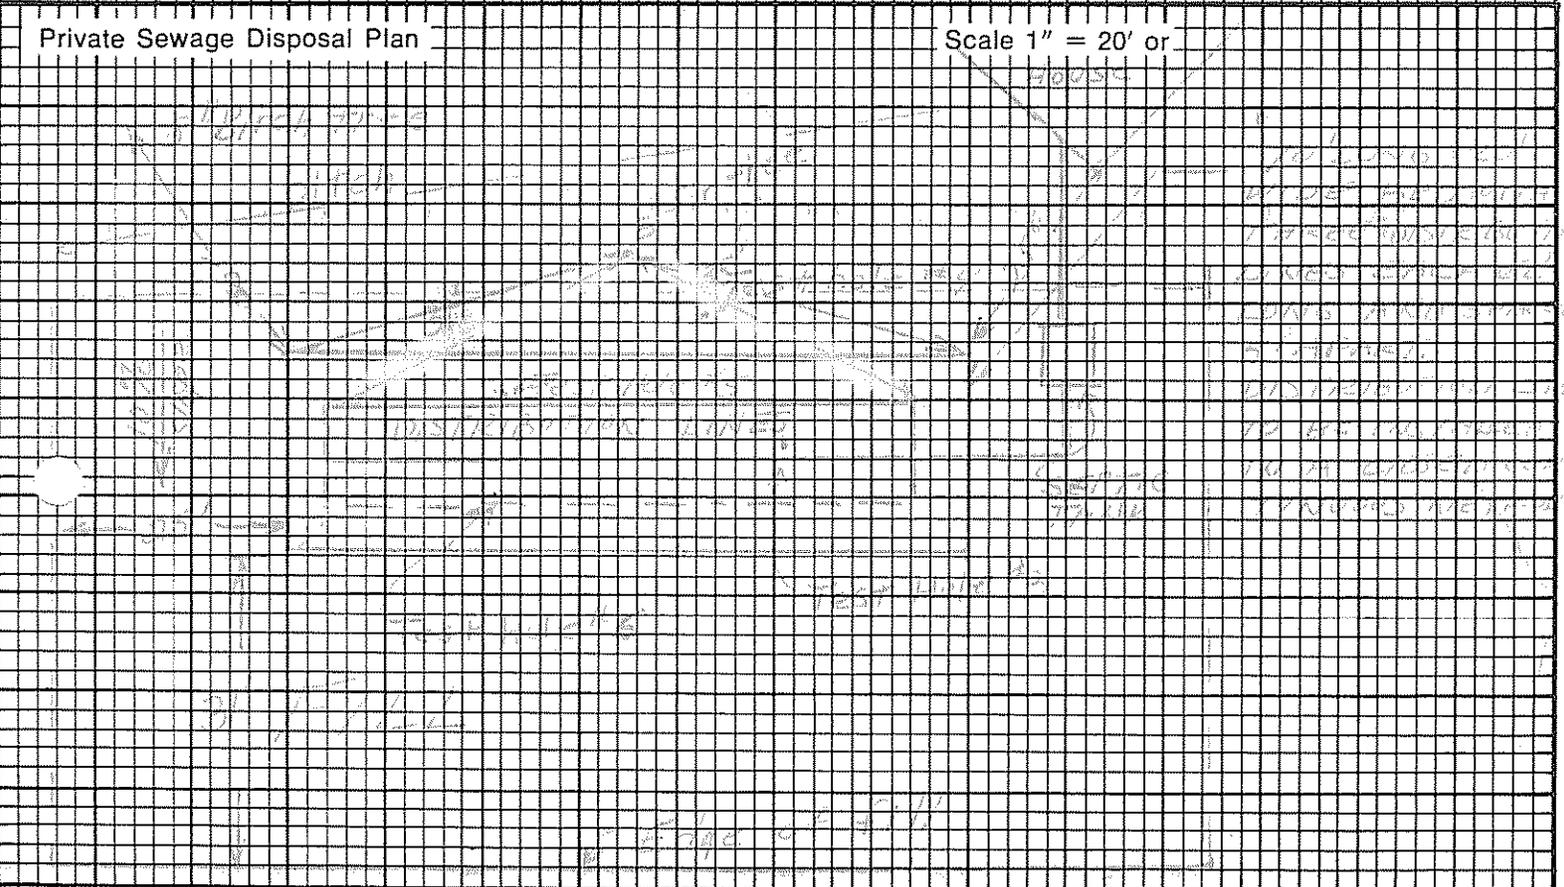

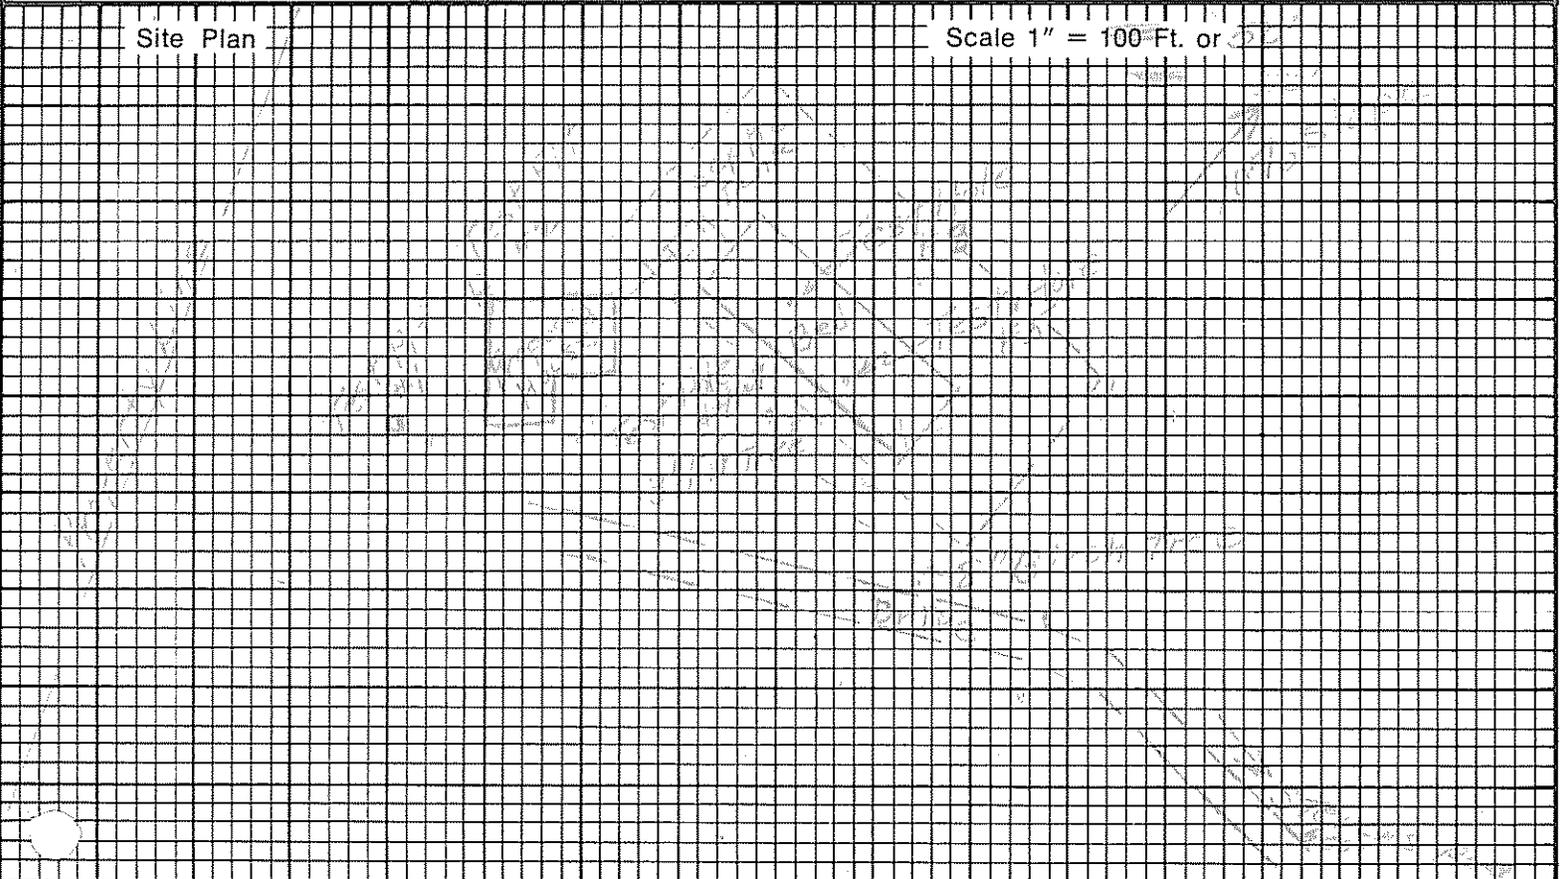

Miscellaneous _____ See Section _____

Acceptance: Application for permit is approved with condition specified, comply with Section _____
 without condition.

Signed LPI Richard G. Baber Date 4/22/76 HHE-200 7/74

Statement: (no permit may be issued unless signed)
 I certify that all the information submitted to be true and correct; and I understand that issuance of a permit is based upon the information and plans submitted by the applicant. I also understand that any falsification of this application is reason to deny a permit to install a private sewage disposal system and that the permit is valid for a six (6) month period from the date of permit issuance. I understand that no guarantee is intended or implied by reason of any advice or approval given by the Administrative Authority or its agent.
