On **10-15-1976** (date), a site investigation for this project was completed. I supervised this soil evaluation and certify that the results indicated above best represent the soil conditions found. I recommend the following type and size of private sewage disposal system. I also recommend the proposed private sewage disposal system layout and location shown on page 2.

Signature and Registration/Certification Number: *[Signature]* **1637** Date signed: **10-15-1976**

Soil Scientist Geologist Soil Engineer Other, must show current letter of certification to LPI

Site Plan

Scale 1" = 100 Ft. or

Private Sewage Disposal Plan

Scale 1" = 20' or

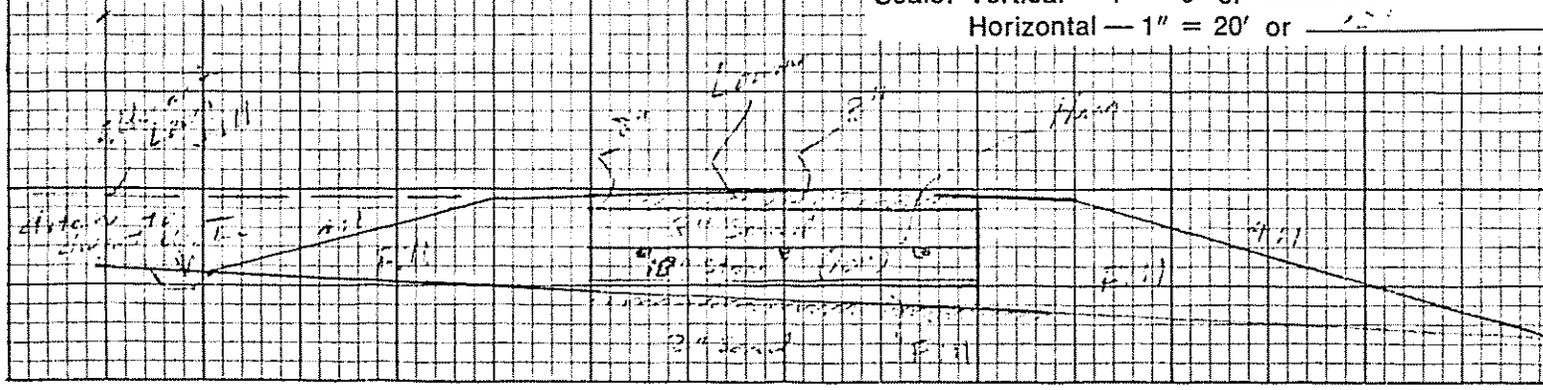

Notes

Bottom of bed to be placed at ground elevation
on the upper side of test pit
Bed must be centered near test pit site

Subsurface Absorption Area Cross-section

Scale: Vertical — 1" = 5' or
Horizontal — 1" = 20' or

Statement: (no permit may be issued unless signed)

I certify that all the information submitted to be true and correct; and I understand that issuance of a permit is based upon the information and plans submitted by the applicant. I also understand that any falsification of this application is reason to deny a permit to install a private sewage disposal system and that the permit is valid for a six (6) month period from the date of permit issuance. I understand that no guarantee is intended or implied by reason of any advice or approval given by the Administrative Authority or its agent.
