Statement: (no permit may be issued unless signed)

I certify that all the information submitted to be true and correct; and I understand that issuance of a permit is based upon the information and plans submitted by the applicant. I also understand that any falsification of this application is reason to deny a permit to install a private sewage disposal system and that the permit is valid for a six (6) month period from the date of permit issuance. I understand that no guarantee is intended or implied by reason of any advice or approval given by the Administrative Authority or its agent.

Re: Cormier Minimum Lot-Reserved Parcel on Mt. Vernon Road, Augusta, Maine
File No. 563

Dear Mr. Cormier:

After reviewing the information submitted by you on June 27, 1975, it is our conclusion that this lot was legally established prior to the enactment of the Minimum Lot Law and that you also have not owned any contiguous property since October 3, 1973. These conclusions have been arrived at from the "Plot Plan of Cormier Lot dated Sept. 3, 1958 and from a copy of the deed dated Sept. 15, 1958. Based on the above, this lot is considered to be exempt from the Minimum Lot Law.

Sincerely,

John A. Bader
