DATE: October 20, 2014

Meetings:

The Strategic Communications Committee will meet in Conference Room C at 6:30 p.m. on Wednesday, October 22, 2014.

There will be a City Council Informational Meeting on Thursday, October 23rd in Council Chambers beginning at 6:30 p.m. An agenda for this meeting is included in your council packets.

There will be a Community and Social Services Advisors Meeting in Council Chambers at 9:30 a.m. on Friday, October 24th.

Other Items:

We have a busy agenda for this Thursday evening. I had hoped to also have discussion about using construction management for the library project on as well but I'm still gathering some information and will schedule that discussion for the Nov. 13th meeting (the contract with our architect was executed last week so we are not holding him up from his preliminary work).

For the agenda item related to the downtown historic district, we are still gathering information on associated costs and I expect we'll have that for Thursday evening.

A week ago, I included a copy of an e-mail from Lesley Jones to me regarding recycling and I'm including another copy today to facilitate Thursday's discuss of that item.

The KJ is doing a story on the Fire Station/Fire Truck bond question on the upcoming ballot. They will be using the enclosed computer generated artist's conception of the proposed station.
