IN THE MATTER OF:

**Fast Eddie's Express Car Wash
Minor Development Application
Findings of Fact and Conclusions of Law**

Pursuant to the provisions of the City of Augusta Land Use Ordinance, the City of Augusta Planning Board has considered the application of Capital City Holdings, LLC c/o Ed Goff, including supportive data, staff review comments, public hearing testimony, and related materials contained in the record. The Planning Board makes the following Findings of Fact and Conclusions of Law.

Findings of Fact

1. **Project Description:** Demolition of the existing Capital Buffet building and construction of a new car wash with a dedicated pet wash area, exterior vacuums, etc.
2. **Applicant:** Capital City Holdings, LLC, c/o Ed Goff
3. **Location:** 208 Western Avenue
4. **Zoning:** Regional Business (CC)
5. **Tax Map Number:** Map 21, Lot 3
6. **Existing Land Use:** Restaurant (allowed use in the CC district)
7. **Proposed Land Use:** Service (allowed use in the CC district)
8. **Acreage:** 0.92
9. On August 7, 2015 the applicant submitted the following:
 - a. Development Review Application Form
 - b. Narrative
 - c. Purchase and Sale Agreement
 - d. Deed
 - e. Agent Authorization Letter
 - f. Plan Set
 - g. Traffic Report
10. On August 13, 2015 the applicant submitted the following:
 - a. Stormwater Report
11. On August 29, 2015, the Kennebec Journal published a legal advertisement for the public hearing regarding the application.
12. On August 28, 2015, City staff mailed notices to the owners of properties located within 500 feet of the property regarding the public hearing regarding the application.
13. On September 8, 2015, the Planning Board held a public hearing regarding the application. The Planning Board conducted a detailed review of the material listed in Item 10 above, the staff review dated September 8, 2015, and considered testimony by the applicant and interested members of the public. No individuals testified at the

public hearing and no written communications regarding the application were received. The Board voted to **approve the application with conditions.**

Conclusions of Law

In view of the above actions and the application and supporting documentation in the record, the Planning Board makes the following conclusions of law.

4.4.1 Criteria for Reviewing the Preapplication

4.4.1.1 Pollution. The proposal will not result in undue water pollution. In order to comply with this standard in regards to air pollution, further action is required by the applicant as specified in the Conditions of Approval 4.

4.4.1.2 Sufficient water. There is sufficient water available to meet the needs of the proposal.

4.4.1.3 Municipal water supply. The proposal will not cause an unreasonable burden on the municipal water supply.

4.4.1.4 Soil Erosion. The proposal will not cause unreasonable soil erosion or a reduction in the land's capacity to hold water so that a dangerous or unhealthy condition results.

4.4.1.5 Highway or public road congestion. The proposal will not cause unreasonable public road congestion or unsafe conditions on public roads. The developer has made adequate provisions for traffic movement of all types. In order to comply with this standard, further action is required by the applicant as specified in the Conditions of Approval 1.

4.4.1.6 Sewage waste disposal. The proposal will provide adequate sewage waste disposal. In order to comply with this standard, further action is required by the applicant as specified in the Conditions of Approval 3.

4.4.1.7 Municipal solid waste and sewage waste disposal. The proposal will not cause an unreasonable burden on the municipality's ability to dispose of solid waste and sewage.

4.4.1.8 Aesthetic, cultural and natural values. The proposal will not have an undue adverse effect on aesthetic, cultural or natural values. In order to comply with this standard, further action is required by the applicant as specified in the Conditions of Approval 6.

4.4.1.9 Conformity with city ordinances and plans. The proposal complies with the 2007 Comprehensive Plan. In order to comply with the Land Use Ordinance, further action is required by the applicant as specified in the Conditions of Approval 1 through 6.

4.4.1.10 Financial capacity and technical ability. The applicant has adequate financial and technical ability to meet the terms of the ordinance.

4.4.1.11 Surface waters; outstanding river segments. The proposal is not located in the watershed of a pond or lake or within two hundred and fifty (250) feet of any wetland, great pond or river as defined in Title 38, Chapter 3, Subchapter I, Article 20B.

4.4.1.12 Groundwater. The proposal will not adversely affect the quality of quantity of groundwater.

4.4.1.13 Flood areas. The proposal is not in a flood-prone area.

4.4.1.14 Freshwater wetlands. All freshwater wetlands on the subject parcel(s) have been identified on maps submitted.

4.4.1.15 River, stream or brook. Any rivers, streams, or brooks within or abutting the subject parcel(s) have been identified on maps submitted as part of the application.

4.4.1.16 Stormwater. The proposal will provide for adequate stormwater management. In order to comply with this standard, further action is required by the applicant as specified in the Conditions of Approval 2.

4.4.1.17 Access to direct sunlight. The proposal will not block access to direct sunlight to any structures utilizing solar energy.

4.4.1.18 Title 38 M.R.S.A. Section 484, Chapters 371 and 373-377. The project is not regulated by the Site Location of Development Act. Not applicable.

4.4.1.19 Spaghetti Lots. A subdivision is not proposed. Not applicable.

4.4.1.20 Outdoor lighting. All outdoor lighting shall be of a design and construction that prevents light trespass beyond the boundaries of the parcel(s). In order to comply with this standard, further action is required by the applicant as specified in the Conditions of Approval 5.

6.3.4 Site Plan Criteria Applicable for Conditional Uses

6.3.4.1 Neighborhood compatibility.

a.

- i. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to land uses.
- ii. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to architectural design.
- iii. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to scale, bulk, and building height.
- iv. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to identity and historical character.
- v. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to disposition and orientation of the buildings.

- vi. The proposal is compatible with and sensitive to the character of the site and neighborhood relative to visual integrity.
- b. The elements of the site plan are designed and arranged to maximize the opportunity for privacy by the residents of the immediate area.
- c. The proposal will maintain safe and healthful conditions in the neighborhood.
- d. The proposal will not have a significant detrimental effect on the value of adjacent properties.

6.3.4.2 Plans and policies. The proposal is in accordance with the 2007 Comprehensive Plan.

6.3.4.3 Traffic pattern, flow and volume.

- a. The proposal is designed so that any additional traffic generated does not have a significant negative impact on the surrounding neighborhood.
- b. Safe access will be assured by providing proper sight distance and minimum width curb cuts for safe entering and exiting.
- c. The proposal provides access for emergency vehicles and for persons attempting to render emergency services.
- d. The entrance and parking system provides for the smooth and convenient movement of vehicles both on and off the site. The proposal satisfies the parking capacity requirements of the city and provides adequate space suited to the loading and unloading of persons, materials, and goods.

6.3.4.4 Public facilities.

- a. The public water utility has adequate capacity for the project.
- b. The public sewer utility has adequate capacity for the project.
- c. The electric and telephone utilities have adequate capacity for the project.
- d. The public stormwater system has adequate capacity for the project.

6.3.4.5 Resource protection and the environment.

- a. There are no known sensitive areas.
- b. The proposal complies with local, state, and federal air quality standards.
- c. The proposal complies with local, state, and federal water quality standards.
- d. Sewage and industrial wastes will be treated and disposed of in such a manner as to comply with local, state, and federal standards.
- e. The proposal is not in the shoreland zone.

6.3.4.6 Performance standards.

- a. The proposal complies with all performance and dimensional standards.
- b. The proposed land use can be conducted so that noise generated shall not exceed the performance levels specified in the performance standards.
- c. The proposal does not involve intense glare or heat.
- d. The exterior lighting will be sufficiently obscured to prevent excessive glare on public streets and walkways or into any residential area.
- e. The landscaping screens parking areas, loading areas, trash containers, outside storage areas, blank walls or fences and other areas of low visual interest from roadways, residences, public open space and public view.

f. All of the signs comply with the Land Use Ordinance.

6.3.4.7 Financial and technical ability.

- a. The applicant has adequate technical ability to meet the terms of the ordinance.
- b. The applicant has adequate financial ability to meet the terms of the ordinance.

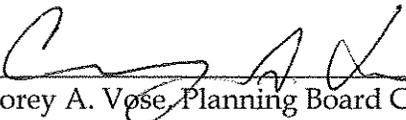

THEREFORE, the Planning Board hereby approves, with the following conditions, the application of Capital City Holdings, LLC as described in the findings above.

Conditions of Approval

The following conditions shall be met prior to the Signature of Approval on the Site Plan. No site or building permit shall be issued until these conditions are met. These conditions shall be met within one year of the signing of these Findings of Fact and Conditions of Approval by the Chair of the Planning Board. If these conditions are not met within one year, the applicant must come before the Planning Board for review of the conditions:

1. Draw up the necessary modifications to the 1972 agreement with the city to allow both ingress and egress onto Pet Haven Lane to be presented to the City Council at the same time as other necessary easements.
2. Obtain a drainage and maintenance easement from City Council for the drainage proposed to be on city property (Buker Center).
3. Obtain an easement from City Council for the sewer line that crosses city property (Buker Center).
4. Provide evidence that the noise standard in the ordinance (Section 5.1.15.1.E allows 60dB at the property line) can be met by all of their equipment.
5. Install full cutoff fixtures for all exterior lighting and provide the necessary documentation.
6. To soften the 130' long bank wall on the east side:
 - a. Install a Bufferyard A along the eastern boundary of the building.
 - b. The taller trees and shrubs may be placed in the sloped green space behind the building to avoid snow damage.
 - c. The plantings are to be maintained.
 - d. Additional plantings are to be placed around the back corner of the building closest to Western Avenue.

This Conditional Approval shall expire within eighteen(18) months of the date of approval by the Planning Board, if a permit from the Bureau of Code Enforcement for the site and buildign work is not issued by that date.

Corey A. Vose, Planning Board Chair
