Dear Mr. Shettleworth:

BADJ Properties, LLC., herein called the applicant, has a purchase/sale agreement for a parcel of land identified as lot 22 on tax map 53 in the City of Augusta tax maps. The four acre parcel is located at 79 Dalton Road and is on the east side of the road. The applicant is proposing to develop the parcel into a staging area for processing scrap metal. Scrap metal will be trucked to the site and then sorted before being put on rail cars to be transported out of state. A Site Location Map (SLM) has been provided for your use.

Please identify any properties in the area of historic, architectural, or archaeological significance that this project may impact and if you should have any questions or concerns; please do not hesitate to contact me.

Sincerely,

James E. Coffin, PE

Based on the information submitted, I have concluded that there will be no historic properties affected by the proposed undertaking, as defined by Section 106 of the National Historic Preservation Act. Consequently, pursuant to 36 CFR 800.4(d)(1), no further Section 106 consultation is required unless additional resources are discovered during project implementation pursuant to 36 CFR 800.13.
