

Certificate of Discontinuance

③ I, Barbara Wardwell, being the Clerk of the Municipality of Augusta, Maine, hereby certify and attest that on March 19, 2015, the legislative body of the Municipality took final action by approving two Orders of Discontinuance, Council Order 15-046 and Council Order 15-048, for the entirety of Perham Street. In both Orders, a public easement was maintained.

By approving the Order, the Municipality has discontinued all of Perham Street, from its intersection with Winthrop Street, south to its terminus, but maintained a public easement. See the attached maps for full descriptions of the road segment.
