

## **WINTER REGULATIONS** (in effect from November 15 through April 15)

Downtown winter snow operations involve:

- 1) Snow Plowing** during a storm, and
- 2) Snow Removal** after a storm when snowbanks are hauled away.

Winter overnight parking (4:00 PM until 8:00 AM daily) is permitted in these areas:

- The Dickman Street parking garage,
- The building side of Commercial Street from Water Street to Oak Street. **This is the only on-street downtown overnight parking allowed,**
- Front Street North (FN) in the old Segal lot (all the spaces below the iron fence) and along the retaining wall south of the Segal lot to the steps,
- Mill Park lot, spaces next to Northern Ave.
- Railroad Bed Lot (RRB), diagonal spaces between Bridge Street and Oak Street.
- The Gingras Lot (GL) near the Railroad Trestle

Note: During snow events residents must have their vehicles in one of these locations by 10 PM. These areas are signed “Free Overnight Parking Daily, 4 PM to 8 AM unless posted otherwise”.

Note: If you park in the Dickman Street Parking Garage, you must move your vehicle from the garage by 8:00 AM when parking enforcement starts.
