DEVELOPMENT REVIEW APPLICATION

Applicant Please Read First:

It is the Applicant's responsibility to read the relevant sections of the Augusta Land Use Ordinance and provide the material required to constitute a complete application. No application will be placed on the Planning Board agenda until it has been deemed complete by staff at the Bureau of Planning. An application that includes all of the information described in this packet shall constitute a completed application. Waivers from certain standards may be requested in writing as an alternative to providing the required information.

This application form is for Major and Minor Development site plan applications which are:

- c. that disturbs more than 43,560 square feet (1 acre) of land; or
- d. creates more than 43,560 square feet (1 acre) of new impervious surface; or
- e. new construction that generates more than 100 trips in the peak hour for the proposed use; or
- f. proposes a new wireless communication facility that will require construction of a new tower.

MINOR DEVELOPMENT: Any multi-family or non-residential development project that:

- f. new construction that generates between 35 and 99 trips in all zoning districts except CD and IA, in the peak hour for the proposed use; or
- g. any change of use where the proposed use requires 25% more on-site parking, as calculated using the parking requirements in the Land Use Ordinance, than the applicant proposes to make available on site; or
- h. proposes collocation of a wireless communication facility on an existing tower that will require construction of a new equipment shed.
- i. all uses proposing to construct a drive-through service or vehicle re-fueling pumps that do not otherwise qualify for major or minor development review.

When a proposed use qualifies as both a Development review and a Conditional Use, this single application shall be used. The staff and Planning Board review shall take both required approvals into account during a single review process.

Should demolition of structures occur as part of the development, a Wrecking and Demolition Permit Application will need to be submitted. If a building is over 50 years old, review by the Historic Preservation Commission will be done in conjunction with the Planning Board review, see Chapter 134 Building Construction; Section 134-5 Demolition and Delay of Demolition.

Blasting proposed as part of the development will undergo Planning Board review, see Chapter 130 Blasting.

Please note that a **complete application is required** before it will be reviewed by the Planning Board. The attached application must be submitted with the required plans, drawings, reports, and narratives as outlined in Part 4 of the Land Use Ordinance and Section 300-603.E of the Land Use Ordinance.

3. Notification of abutters upon receipt of Application.
4. Public hearing within thirty (30) days of receipt of complete application.
