Meetings:

There will be a City Council Informational Meeting on Thursday, September 22nd beginning at 6:30 p.m. in Council Chambers. Agendas are included in your Council Packets.

Other Items:

Mayor Rollins and I were guests at the Togus VA's 150th anniversary celebration Saturday morning. It was a beautiful day and a wonderful event. All four members of our Congressional delegation were there and we had an opportunity to speak with each. It's easy to forget what an important and impressive facility the Togus medical center is and how fortunate we are to have it in our community.

Friday afternoon, a number of City employees gathered at the new veteran's cemetery for a military honors memorial service for retired City DPW mechanic Harry Roy who passed away a week ago. Harry was a dedicated City employee with over 25 years of service and longtime resident. Harry was a proud Marine Corps veteran and past president of Le Club Calumet. We will miss him.

As I mentioned in an e-mail this morning, kudos to our on-duty AFD crew for their exemplary work in saving the life of a two-year old drowning victim on Saturday. There could be no more poignant example of the importance of properly training and equipping our public safety services than this one.
