RE: Maine Veteran's Home
Civic Center Drive
Augusta, ME 04330
Map 5, Lot 125

Dear Jim,

This is in response to your request for information for solid waste disposal capacity for the proposed Maine Veteran's Home to be located on Civic Center Drive on property currently owned by Skowhegan Savings Bank.

The City of Augusta owns and operates the Hatch Hill Solid Waste Facility located on South Belfast Avenue. This is a regional facility that serves Augusta and eight surrounding communities. Approximately 28,000 tons of material are received and either landfilled or recycled annually. In 2001 the City started placing waste in Expansion III, which has an estimated remaining life of 15 years based on current waste volumes. Sufficient capacity is available in Expansion III to accommodate the waste that will be generated from this proposed new facility. If you have any questions or need more information, please feel free to contact me at 626-2435.

Sincerely,

Lesley Jones, P. E.

Director of Public Works
